

Thanks for downloading our FREE PICTURE QUIZ

This is an example of one of our 20 picture quiz rounds – these cost £3

This one is Place The Face but we have loads of different picture rounds online.

Our Mini Picture Quizzes are the same but feature 10 pictures on a page and cost £2

We have a wide range of picture quizzes available – just click the picture quizzes link on our homepage in the black toolbar – on this page you'll see our newest picture rounds and can also search for picture quizzes by subject on the left.

Why Pay For Picture Quizzes?

Picture rounds are the best way to stop cheats – it's very hard to Google a picture in a quiz and we mix up our picture quizzes every week so it's not the same old boring faces pictures every week.

Most importantly though – **ALL OF OUR PICTURE QUIZZES ARE COPYRIGHT CLEARED** – downloading photos via Google etc. is illegal

Too expensive?

You've tried a free sample – your second order will get you 20% off

Place 5 orders or more and every order gets 5% off

Place 10 orders or more and every order gets 6.5% off

Place 20 orders or more and every order gets 8% off

Place 25 orders or more and every order gets 10% off

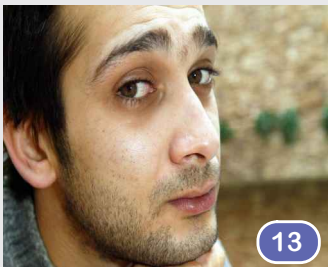

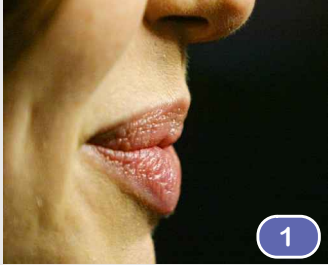

PLUS

If you order a picture quiz every week then pre-pay – Just **click the Pre-Paid Quizzes link on the top toolbar** – we automatically send you the quiz once compiled and **you can get up to 40% off** – we can also send by post – **printed colour laser versions** – click the **QUIZZES BY POST** option for details
