Why Pay For Quizzes?

There are loads of free quiz questions online – why pay?

If you want a successful pub quiz, you need to have good quality quiz questions – a mix of difficulty (or tailored to your pub) and reliable answers

Many of the questions online have been there for years, are not current and are not interesting – as a result, your teams may have heard them before or, if wrong, you'll lose your credibility as a quizmaster.

Our quizzes are 100% correct or your money back

The quickest way to see a pub quiz die is to have the same teams winning every week – we mix up subjects and pictures every week so it's not the same old dull format – if the quiz you buy is too easy, or too hard – we will find you a format to suit.

Secondly, the time you take to trawl the internet for questions could probably be better spent – and with 50 questions for £3.00, you can't go wrong!

Just call us on 01785 214529 for advice or use online chat during office hours
